

The Avon Valley School and Performing Arts College

Dear Parent/Carer

Re: Exams and revision after 13th June

Students are no longer required to attend school after the science exam on Wednesday 13th June, departing school at about 12 noon following the Class of 2018 leavers' Assembly.

On Wednesday 13th June in the afternoon, the Health and Social Care exam takes place- these students may leave school at 12 noon BUT need to return for 12.45 p.m. at the very latest and meet Mrs Stock in 1PA3 for final revision and refocusing prior to the exam.

Alongside the exams, a full revision program will continue for those remaining exams, as detailed below. Students will need to wear full school uniform for exams and revision sessions. For exams, students do NOT need to sign in if they arrive within 20 minutes of the start time, as their presence in school will be picked up at the start of the exam. For students attending revision, they will need to sign in AND out with Ms McSweeney, with morning session beginning at 8.50am. and afternoon session at 1pm. If in doubt, always sign in.

Exam results

Exam results can be collected on Thursday 23rd August from 10.30am - 12 noon. If you are unable to collect your results in person, please complete the form below and pass to the nominated person to bring on the 23rd August. Written consent is required to hand over exam results to anybody except the student. Any results not collected on Thursday 23rd August will be posted to the address that is held by the school.

Following the exam results in August, the school receives the official GCSE certificates towards the middle of November. Once these have been collated, we will email parents inviting students to collect their original GCSE certificates. It is imperative therefore that any change of detail in regard to email address or telephone numbers are updated with the school, to help this process. If the student is unable to attend, a written letter from the student giving permission for a parent/guardian or trusted person to collect the certificates is required. Every year, some students fail to collect the certificates despite our very best efforts, and they are returned to the exam boards for disposal. To request the certificates at a later date costs a lot of money on the student's part AND considerable effort (all this will have to be done by the student and the school cannot play any part in securing certificates at a later date).

Best wishes for the summer, well done the Class of 2018 and I am looking forward to the final event at the prom on Friday 29th June.

Yours sincerely
